The rest of your day is free to explore the town as you wish, perhaps with a visit to the Svalbard Museum to learn more about Svalbard's history as a hunting and mining outpost or a visit to the local shops. DAY 2: NORTHERN LIGHTS HUSKY SAFARI

After breakfast, your guide picks you up and takes you to the Basecamp Trapper's Station, where 90 Alaskan huskies eagerly await to take you on a thrilling sled ride under the stars and northern lights.* After a brief lesson from the lead musher, the reins are yours and the journey begins! With only the sounds of the dogs and the scraping of the sled against the ice, this is sure to be an experience to remember. Back at the kennel, unharness your hard-working dogs and enjoy a hot beverage and light snack at the Trapper's Station before returning to Longyearbyen in the afternoon. This evening, reward your efforts with a mouth-watering feast! We recommend the 4-course Arctic dinner at the legendary Huset Restaurant.

**Please note that the northern lights (aurora borealis) are a natural phenomenon and sightings cannot be guaranteed.*
